All you need to know for the new season

The fresh new website for the Greene King IPA Championship – www.championshiprugby.co.uk – launched today ahead of the season kick-off this weekend.

It is the first time, the Greene King IPA Championship will have its own dedicated website. The fully mobile optimised site will feature all the latest news, views, action, reaction and fixtures and results from the second tier of English rugby.

We'll also be live streaming up to 10 games from the Greene King IPA Championship this season on the [England Rugby Facebook page](#) and the new website.

We kick-off our live stream programme with Richmond v Ealing Trailfinders on Saturday 9 September at 3pm. The live streams will be in addition to the 11 games Sky Sports – the official broadcaster of the Greene King IPA Championship – will air throughout the season.
