Rugby

“Leadership is a process by which a person influences others to accomplish an objective.”

The RFU Leadership Academy has been designed to give new or aspiring rugby leaders a solid foundation for their development with units covering a variety of topics from leadership styles, motivating teams to planning change.

The Academy facilitates networking opportunities to allow participants to share experiences and solutions on similar issues under the guidance of a mentor.

On completion of the Academy candidates become part of the Alumni where further development opportunities are offered.
