

As you are all aware, due to the current Covid restrictions, numbers attending funerals are still limited, and therefore we will not be able to attend Keith's funeral next week.

However, to enable TRFC members and friends to pay their last respects to Keith, arrangements have been made for the hearse to call at Doric Park on its way to the Crematorium.

Any members wishing to bid a farewell to our valued friend are asked to arrive at Doric Park by 2.45pm, and park on the gravel area of the car park, to allow the hearse plenty of turning space.

Club shirts and ties should be worn where possible please.
