

## **Mark Clement**

Dear Members,

Sadly I am writing to tell you that Mark Clement passed away peacefully on Thursday night after being in a Salisbury Hospice for a short while.

My memory tells me that Clem joined the Club in the early 1970s whilst still in the Army. He played full back or fly half mainly for the 1st XV for many years. He had an exceptional sense of timing in attack and defence, and his ability to stop an opponent from crossing his line was often game changing.

When he retired from the Army he went into property development and was also Club Steward for us for some time.

Until very recently he was still a regular visitor to the Club, often popping in whilst dog walking.

Our thoughts are with his family and friends at this sad time. I will let you know of any funeral arrangements I am made aware of.

Best wishes,

Richard Larcombe

President SRFC
