

It is with great regret that North Dorset Rugby Football Club announce the death, on Thursday 10th February, of their ex-Chairman, Paul Phillips.

Paul was involved with rugby at North Dorset RFC for over 40 years as a Player, Team Captain, Parent, Tour Organiser, Secretary, Chairman, Vice President, Alickadoo and renowned White Liner. He will be missed by us all. The Club sends its deepest sympathies to Paul's widow, Cynthia and their three boys, Laurence, Douglas and Michael, all of whom played for North Dorset RFC.
